unique fiber blends

Cumbria Fingering

The Fibre Company/United Kingdom

This lustrous and luxurious blend combines brown masham wool from rare-breed sheep, fine South American merino wool, and mohair.

60% merino wool/30% masham wool/10% mohair
fingering weight | 328 yards (100 grams)
Item #831, \$22.99 per skein

A. Road to China Lace *The Fibre Company/Peru*

Buttery soft yet strong, this two-ply lace-weight yarn has beautiful drape, a subtle sheen, and the perfect amount of body for luxurious and warm accessories.

65% alpaca/15% silk/10% camel/10% cashmere
lace weight | 656 yards (100 grams)
Item #688, \$35.99 per skein

B. Cumbria Worsted *The Fibre Company/United Kingdom*

The Fibre Company/United Kingdom

The same breed-specific blend of wools as Cumbria Fingering, but in the original worsted-weight version. It's a staple you'll want in your stash for a variety of garments and accessories.

60% merino wool/30% masham wool/10% mohair
worsted weight | 238 yards (100 grams)
Item #328, \$22.99 per skein

C. Knightsbridge *The Fibre Company/Peru*

This silky-soft, lightweight yarn combines the insulating properties of baby llama, the bounce and memory of merino wool, and the natural luster of silk, and offers excellent stitch definition in cabled and textured patterns.

65% baby llama/25% merino wool/10% silk
dk weight | 120 yards (50 grams)
Item #329, \$15.99 per skein

Rustic Tweed *Queensland Collection/Peru*
 This classic, tweedy blend is extremely soft, offers excellent stitch definition, and can be knit at a dk gauge for a denser fabric, or a worsted gauge for supple drape.
 65% wool/25% alpaca/7% acrylic/3% viscose
 dk weight | 318 yards (100 grams)
 Item #665, \$17.99 per skein

Luna Effects
Stacy Charles Fine Yarns/Italy
